- Entrepreneurs and innovators from all backgrounds will learn why it's crucial to protect ideas and intellectual property. Learn how local resources can assist you, how to navigate through complicated legal structures, and why protecting your ideas is as important as the idea itself.
- **This FREE session will connect you with experienced professors and attorneys from the MSU College of Law. Additional resources will be shared that can help any entrepreneur succeed in Michigan.**
- Registration is FREE (and includes lunch and all materials), and is required to reserve your space by April 15.
